

PUBLIC PRODUCT DATASHEET

Level Sensors Magnetic Sensor / Reed Switch Datasheet

Level Sensors is part of the Magnetic Sensor / Reed Switch range from SHR MiRelay. This English public datasheet has been rebuilt under the current SHR AUTOSENSOR TECH LIMITED identity for customer selection, sample purchase and RFQ support.

Product Family Magnetic Sensor / Reed Switch	Model Level Sensors	Purchase Path Sample order or RFQ confirmation
Manufacturer SHR AUTOSENSOR TECH LIMITED	Website www.reed-relay.com	Sales Contact sales@reed-relay.com
Contact Form , coil voltage, load type, quantity and application environment.	Recommended RFQ details include switching environment.	

Key Features

- Available support includes model cross-reference, application review, sample availability and custom configuration guidance.

Technical Specifications

Parameter	Value
Contact Form	, coil voltage, load type, quantity and application environment.
Recommended RFQ details include switching	environment.

Specification Notes

Level Sensors Magnetic Sensor / Reed Switch Datasheet

Magnetic Sensor / Reed Switch selection information

English public document rebuilt under SHR AUTOSENSOR TECH LIMITED branding.

Use this document for initial product identification, sample request and RFQ support.

Final electrical specifications should be confirmed with engineering sales before production release.

Available support includes model cross-reference, application review, sample availability and custom configuration guidance.

Recommended RFQ details include switching voltage, switching current, contact form, coil voltage, load type, quantity and application environment.

Contact sales@reed-relay.com for the latest engineering confirmation.

Ordering & Engineering Support

For production projects, confirm coil voltage, contact form, switching voltage/current, load type, operating environment, target quantity and required approvals before release. Contact sales@reed-relay.com or +86 137 6157 1029 for datasheet confirmation, sample availability and cross-reference support.

Address: Room 311, No. 18 Hangchuan Road, Pudong New District, Shanghai, China
