

Feature

- Made of PP, Stainless steel material
- Classic design, compact size;
- Choice of normal open or normal close;
- No standby power requirement;
- Customer can define activated distance,cable length and connector;
- Hermetically sealed,suit to tough environment and long life.
- Widely used in household appliances, automotive applications and control technology.

Part No.	LS22	LS02	LS02S	LS03	LS11
Appearance					
Housing Size(mm)	M8, L-37	M8, L-42.5	L-42.5	M8, L-53	L-44.2
Feature	Smallest Size	Good ratio of price/performance	For Screw Fastening	Good ratio of price/performance	For Screw Fastening
